Our first event of 2018 was immensely successful! We were thrilled to experience over 500 attendees, 30 vendors, various accredited guest speakers and much more. Demonstrations and services provided by our vendors included chair massages, acupuncture treatments, healthy cooking demonstrations and many other holistic and medical treatments. In order for all of this to happen and be successful, we need your help! So, let's come together as a community and honor our healthcare.

Thank you for your time and consideration, and we look forward to bringing another great wellness fair into our community. In order to have all of our promotions ready in time, we ask to have your sponsorship selection in by **April 5<sup>th</sup>**. Sincerely,
